

Black Mammalogists Week 2024

#BlackMammalogists

September 15th-21st

Roll Call Sunday, Sept. 15th:

*Find your fellow mammal
enthusiasts!*

Research Monday, Sept. 16th:

*Explore mammal research, tech,
and tracking.*

Rewilding Tuesday, Sept. 17th:

Join us for a mammal drawing workshop + Q&A with author Dr. Alexis Pauline Gumbs.

Recovery Wednesday, Sept. 18th:

*Learn from human-wildlife
coexistence experts about the
triumphs and challenges of
mammal recovery.*

Relearning Thursday, Sept. 19th:

Be inspired by science communicators, including the folks reinventing Africa's wildlife filmmaking scene.

Resilience Friday, Sept. 20th:

Discover how the resilience of wild mammals mirrors our own.

Reverence Saturday, Sept. 21st:

*Showcasing our wildlife
connections through podcasts and
research.*
