

Black Mammalogists Week 2024

Sponsored by the
National Geographic Society

@BlackMammalogistsWeek

@BlkMammalogists

September
15th - 21st

#BlackMammalogists

Please join us to celebrate and uplift current and aspiring Black mammalogists across the Diaspora to form conscious, fruitful connections while illuminating historic and present-day contributions from Black folks to the field of Mammalogy!

What to expect: Giveaways, games, workshops, and more! For more info, please contact BlackMammalogists@gmail.com.

We hope to see you there!
